

2019 IEOC/Acrivet Symposium Schedule

Thursday, June 6th			
5:30PM - 8:00PM	Registration desk open		
6:00PM - 8:00PM	Welcome Reception In Coal Harbour B Room		
Friday, June 7th			
7:30AM	Registration desk open		
7:45AM - 8:30AM	Breakfast with Exhibitors (<i>Name Badge Required</i>) In Coal Harbour B Room		
8:30AM - 8:45AM	Welcome and Introduction		Dr. Brian Patterson
8:45AM - 9:45AM	State of the Art Lecture	"Imaging the Equine Eye, A Practical Approach"	Dr. Tim Knott
9:45AM - 10:00AM	Break with Exhibitors		
10:00AM - 11:00AM	State of the Art Lecture	<i>continued</i> "Imaging the Equine Eye, A Practical Approach"	Dr. Tim Knott
11:00AM - 11:20AM	Abstract	Evaluation of Intralesion Injection of Interferon Alpha-2B as a Novel Treatment for Eyelid Squamous Cell Carcinoma in the Horse	Dr. Brittany Martabano
11:20AM - 11:40AM	Abstract	Comparison of In Vitro Susceptibility and Ex Vivo Efficacy of Antifungals Against Isolates from Equine Fungal Keratitis	Dr. Brian Gilger
11:40AM - 12:00PM	Abstract	Changes in Antimicrobial Resistance Patterns of Corneal Isolates from Horses in the UK Between 2012-2018	Dr. Ria Chalder
12:00PM - 1:00PM	Lunch Provided for Attendees with Exhibitors (<i>Name Badge Required</i>) In Coal Harbour B Room		
1:00PM - 1:20PM	Abstract	Leptospira and Herpes Virus Prevalence in Aqueous Humor and Serum From Horses Affected with Equine Recurrent Uveitis in Germany and the Southeastern United States	Dr. Britta Fischer
1:20PM - 1:40PM	Abstract	Suspected Adverse Reactions to the Lepto EQ Innovator® Vaccine Leading to the Development of Severe Leptospira-Associated Uveitis in Three Horses	Dr. Richard McMullen
1:40PM - 2:00PM	Abstract	Ocular Blunt Force Trauma: A Review of the Literature and a Retrospective Observation of 44 Equine Cases	Dr. Lauren Charnock
2:00PM - 2:20PM	Break with Exhibitors		
2:20PM - 2:40PM	Abstract	Comparing Different Methods of Total Protein Extraction in Bovine and Equine Amniotic Membrane Homogenates	Dr. Tatiane Villar
2:40PM - 3:00PM	Abstract	Simple Saline Corneal Fungal Culture	Dr. Catherine Nunnery
3:00PM - 3:15PM	Case Report	Optic nerve abscess causing unilateral blindness in an appaloosa gelding	Dr. Brian Gilger
3:15PM - 3:30PM	Case Report	Medical Management of Bilateral Ocular Anterior Chamber Hemorrhage and Unilateral Posterior Chamber Hemorrhage due to Trauma	Dr. Martha Huck-Miller
3:30PM - 3:45PM	Case Report	Deep corneal stromal abscessation: Outcome of two insidious cases treated with unconventional corticosteroid therapy	Dr. Ann Dwyer
3:45PM - 4:00PM	Case Report	Immunotherapy as a Treatment Option for Eosinophilic Keratoconjunctivitis	Dr. Kathryn Wotman
4:00PM - 4:15PM	Case Report	Nonulcerative Keratomalacia	Dr. Rachel Allbaugh
4:15PM - 5:15PM	"Hot Topics" Roundtable Discussion		
5:15PM	Conclude		
5:45PM	Attendees walk to the Westin Bayshore Marina to board the dinner cruise at 6:00PM	Approx 5-10 minute slow walk along boardwalk. (Cruise is from 6:30PM - 9:30PM) TICKETS REQUIRED	
6:30PM - 9:30PM	Dinner Cruise on the Magic Charm (Board at 6:00PM)		
9:30PM	Attendees walk back to hotel		

2019 IEOC/Acrivet Symposium Schedule

Saturday, June 8th			
7:30AM	Registration desk open		
7:45AM - 8:30AM	Breakfast with Exhibitors (Name Badge Required) In Coal Harbour B Room		
8:30AM - 8:45AM	Welcome and Introduction		
8:45AM - 9:45AM	State of the Art Lecture	"Equine Ocular Pathology - The State of the Art"	Dr. Richard Dubielzig
9:45AM - 10:00AM	Break with Exhibitors		
10:00AM - 11:00AM	State of the Art Lecture	<i>continued</i> "Equine Ocular Pathology - The State of the Art"	Dr. Richard Dubielzig
11:00AM - 11:20AM	Abstract	Immunohistochemical Staining of Immunoglobulin in Healthy Equine Corneas	Dr. Verena Maria Herb
11:20AM - 11:40AM	Abstract	Long Term Outcome of Corneoconjunctival Transpositions in Horses	Dr. James Rushton
11:40AM - 12:00PM	Abstract	Standing Keratectomy in 95 Equine Eyes	Dr. Catherine Nunnery
12:00PM - 12:20PM	Abstract	Preoperative IOP Predicts Outcome of Transscleral Cyclophotocoagulation in Horses with Glaucoma	Dr. Mary Lassaline
12:20PM - 1:20PM	Lunch Provided for Attendees with Exhibitors (Name Badge Required) In Coal Harbour B Room		
1:20PM - 1:40PM	Abstract	Topical Application of Suppressor of Cytokine Signaling Mimetic Peptide: A Safety Study	Dr. Caryn Plummer
1:40PM - 2:00PM	Abstract	Outcome of Horses Undergoing Intravitreal Injection of Low-Dose Gentamicin for the Treatment Equine Recurrent Uveitis: 71 Cases (2010 –2016)	Dr. Thomas Launois
2:00PM - 2:20PM	Abstract	Mitigation of Equine Recurrent Uveitis Through Topical Application of Suppressor of Cytokine Signaling Mimetic Peptide: A Pilot Study	Dr. Caryn Plummer
2:20PM - 2:40PM	Abstract	Treatment and Outcome of Horses Presented with Exophthalmos to a Referral Hospital	Dr. Nicole Scherrer
2:40PM - 3:00PM	Break with Exhibitors		
3:00PM - 3:15PM	Case Report	Anterior Lens Capsule Cysts	Dr. Catherine Nunnery
3:15PM - 3:30PM	Case Report	Trans-corneal reduction of an anterior lens luxation secondary to ERU	Dr. Kelly Knickelbein
3:30PM - 3:45PM	Case Report	Successful treatment and outcome of a mare with Temporohyoid Osteoarthropathy	Dr. Teresa Barros
3:45PM - 4:00PM	Case Report	Laser ablation of hypertrophic corpora nigra in a mare with behavioral abnormalities	Dr. Sarah Czerwinski
4:00PM - 4:15PM	Case Report	A unilateral protrusion of the nictitating membrane and enophthalmos in a 19-month old Belgian Warmblood horse	Dr. Hanneke Hermans
4:15PM - 4:45PM	Practice Tips	TIP #1: How to use a One Milliter Syringe as a Supporting Device for Injection Port Apparatus of Subpalpebral Lavage; TIP #2: How to use Udder Infusion Cannula to Remove Subpalpebral Lavage that is Granulated in Lid	Dr. Martha Huck-Miller
4:45PM - 5:15PM	IEOC Member Business Meeting		
5:15PM	Adjourn		
5:30PM - 6:30PM	IEOC Board Meeting
